

NOAH SORLI

Engineering Student

About Me

I am a 20-year-old engineering student in Fluid Mechanics at ENSEEIHT, Toulouse. Passionate about aerospace and aeronautics, I am eager to apply my skills to innovative and meaningful projects.

Contact

31000 Toulouse

Skills

- Curiosity
- Creativity
- Communication
- Problem Solving
- Teamwork
- Leadership

Competencies

- Engineering
- Fluid mechanics
- Programming: Python, Fortran, HTML/CSS
- CAD: SolidWorks
- Adobe Creative Suite
- Microsoft Office Suite

Education

Engineering Degree

ENSEEIHT - Toulouse

2025 - 2028

- Fluid Mechanics, Energy and Environment (MFEE) Department - aiming to work in the aerospace, aeronautics or automotive sectors.
- Involved in club such as TVn7, Photo7, N7RT, Acte7, Escape7, Run7, Grim'INP.

CPGE

Lycée Champollion - Grenoble

2023 - 2025

- First year in PCSI, studying Mathematics, Physics and Chemistry.
- Second year in PSI*, studying more specifically Mathematics, Physics and Engineering sciences.

High School

Lycée du Sacré Cœur - Tournon

2020 - 2023

- Baccalaureate obtained with "Very Good" mention and English Euro certification.
- Founder of a multicultural association on Wednesday afternoons.

Experience

Waiter / Delivery Driver

2024 - 2025

Corleone Pizza

Waiter

2021 - 2023

Auberge Monnet
